Necessity of work

Subject:- A and A to the Electrical Installation to the P.W.E.Divisional workshop Bolgaum.

1. Since additional Machinery such as Grinder, Lath, compressor and circular saw have been installed in the workshop additional Electrical Installation is necessary to connect these new Machineries to Electrical supply.

2. Since a new Multi-Bay shed has been constructed in the Divisional workshop premises, Lighting arrangement and single phase power plug units are necessary for this shed as the shed is being utilised to house and repair heavy plant and Machinery.

3. Since there is no lighting and power plug units in the Smithy, Carpentary and General repair shop, the same are --- necessary.

The Estimate prepared by the Executive Engineer Electrical Division Poona provides for the additions and alterations required for the Divisional workshop Bolgaum.

Executive Engineer, Bolgaum Division.

Please see the S.E. S.C's. endt no BM 16 dated the 19-11-1952 requesting Govt to accord administrative approval to the plan & estimate the latter amounting to Rs 2,361/- (2,307 o.w plus Rs 54 S.R.) for providing additions and alterations to the Electrical Installation to the P.W.D. Divisional Work-shop at Belgaum The requirements of Electrical Installation are according to the scale of fittings except the wiring of machines but at being essential is recommended by El. Dn. Poona.

Ex. Engr. Belgaum Dn. states that additional Electric Installation - is necessary since additional machinery such as grinder, Lath, compressor & circular saw has been installed. Also it is essential for a new Multi-Bay shed used to house & repair heavy plant & machinery. Lighting & power plug machinery is also needed in the Smithy, Carpentary & General repair shop In the circumstances the work may be approved in consultation with the U.O. the F.D.
